## Krok 7

The screenshot shows the Cisco WebEx Meetings interface for a meeting titled "Test z Milena". The interface includes a top menu bar with "File", "Edit", "Share", "View", "Audio", "Participant", "Meeting", and "Help". Below the menu bar are tabs for "Quick Start", "Meeting Info", and "New Whiteboard". On the right side, there are icons for "Participants", "Chat", and "Notes".

The main content area displays the meeting title "Test z Milena" and the host information: "Host: [redacted]", "Meeting number: 991 941 125", and a "Leave Meeting" button. A red annotation "Załadowało nam Webex" is placed above the meeting information.

Below the meeting information, there are three large circular buttons: "Call Using Computer", "Share Screen", and "Invite & Remind". A red circle highlights the "Call Using Computer" button, with a red arrow pointing to it and the text "Musimy kliknąć ten duży przycisk aby usłyszeć się nawzajem." (We must click this large button to hear each other).

On the right side, the "Participants" panel shows two participants: "Milena (me)" and "M [redacted] (Host)". A red arrow points to the "Turn Off Video" icon (a camera with a slash) next to the "Milena (me)" participant, with the text "Tutaj włączamy kamerę." (Here we turn on the camera).

At the bottom right, there is a "Chat" panel and a "Connected" status indicator.

Gotowe 😊
